CAMPS REVIEW

Editor's Noticeboard

Dear Editor,

I wonder if I might, through your columns, try to resolve an issue that's causing me a problem?

My great-grandfather was the Rev Canon FFMS Thornton, who was vicar of Shudy Camps between 1919 and 1938. He is buried in the church graveyard, as is his wife, his son and his grandson, my late father.

Dad always arranged for the graves to be tended during his lifetime and, after his death in 1994, the duty passed to me. More recently, I was lucky enough to be offered the services of some of the lads from Glebe House to keep them maintained. Unfortunately, the future of Glebe House is somewhat uncertain at the moment, I gather.

I live at the bottom end of Kent and nowadays find the journey to Shudy more and more arduous. We have recently had the three graves restored but there is now the problem of keeping the hedging round the graves neat and tidy – they would need attention two or three times between spring and autumn.

Perhaps there is someone in Shudy or Castle Camps who might be able to help? I would be delighted to hear from you at robin.thornton@btinternet.com or on 01233 758632 when we could discuss a fee.

Yours sincerely, Robin Thornton

PS – my wife and I went to the graves early in September, aiming to tackle the job ourselves. To our amazement, some Good Samaritan had beaten us to it! Thank you, whoever you are!

West Wickham & District Photography Competition 2024–25

Following the success of this year's competition, we hope you might be tempted to share your photos with us in next year's competition.

Here are the titles to get you thinking...

Frozen

Light and Dark

Terrific Trees

Greetings and Christmas cards are often created from some of the most inspired entries so why not have a go? The closing date will be at the end of August so plenty of time to take out those phones and cameras!

Dear Readers

Welcome to the latest edition of the **Camps Review**. As summer fades we now welcome the golden colours of Autumn and head towards the festivities of Christmas and the dawn of a New Year !

I am now becoming more practiced in the skills of editorship, skills that I hope will become even more refined over future editions. I am however reminded that however well versed one might be in whatever field it is simple oversights that can often bite the hardest. In my case this revolved around my driving licence which embarrassingly I allowed to become out of date - I was unaware that that this could happen and it was only when a very kind person at a Van Rental company refused my vehicle hire request and explained that the new licences only last 10 years before you have to apply for a new one, that I realised the error of my ways ! I am now legally licensed again and would encourage all to review your licences to make sure you do not fall into the same trap ! Part of me hopes there might be someone else out there who can join my 'Lapsed Licence' club so that I don't remain a solitary embarrassed sufferer !?!

In the meantime I hope that this edition makes enjoyable and informative autumn reading

Nick

News from Castle Camps Parish Council

Summer came and went, came again and then went again , in fact I'm not sure that we had much of a summer this year. Weather was good for a while and then just before the Village Fete it poured down again. That didn't however put people off, it still turned out to be a good day and so thanks to the organisers and helpers that made it a success despite the weather.

A charitable society has now been formed to operate the URC under the stewardship of Trustees, some of which have already been appointed with the direction coming from James Davey and Fiona Larcombe who have experience of working with charitable Trusts.

The new grass contractor I am sure you will agree has done a great job this year with the recreation ground, the green, memorial and Millennium Wood footpaths. Furthermore the Pond opposite Pond Farm on Bartlow road has never looked better, so our thanks must go to John Schneider and Pam Schooling for their commitment along with the regular village volunteers for their hard work and efforts in making the pond so much more attractive.

The village hall is getting busier with the events team in place promoting it's use. There is also discussion regarding expanding the Village Hall car park and your views and comments on this will be appreciated, we recognise there is a need but we wish to be have a minimal negative effect on the environment and for it to be as 'friendly' as we can possibly make it. So please do contact the undersigned with your views. The footpath on the eastern side of the high street has been recognised as an urgent requirement by the County Highways department but no date has been provided as yet.

So not too much to report since July but we do have Halloween for the children to look forward to, I know that Cindi, Mel and the team have lots for them to look forward to. Finally we must not forget the Remembrance Day event on Sunday November 10th where we collectively remember those fallen soldiers from the first and second world wars and the conflicts since. People from our community and elsewhere recognise the fallen heroes by a minutes silence at the Memorials in the village. It is always well attended by our community and and led by the Church, it is followed by tea and cake in the village Hall.

Wishing you all a good and safe Autumn and a Happy Christmas.

News from Shudy Camps Parish Council

We finally collected the Mobile Speed Awareness Sign which is being partially funded by the LHI (Local Highway Improvement) grant application. It's been placed at various location around the village as we get used to all the features it offers and gathering information on the vehicles passing the device.

The application for the Jubilee Green to be an official village green, which was submitted back in Jan 23, is also slowly progressing and likely to be completed in 2025.

The telephone box in Main Street had a little spruce up inside during April 24 and now we are looking to paint the exterior and awaiting quotes from local painters

Some footpath maintenance has been carried out over the summer months which was kindly carried out by Paul Malins. Hopefully this will last the winter and many more to follow

The Church in Shudy Camps has also approached the Parish Council about helping financially with the installation of a handrail adjacent to the path leading up to the church gate. This is still being discussed as the steepest part being the section closest to the road is where the rail is needed but this is causing issues with Highways.

We are also looking to add a Litter Bin next to the Bus Stop opposite the church as there has been a litter issue which has been collected and disposed of by 2 village members.

We have had two members of the Parish Council resign over recent months, those being Paul Malins and Anita Kiddy. Firstly we would like to thank them for their dedicated service over recent years and it is very much appreciated. We have a couple of residents willing to take up the reins but I can't announce the names until we have officially co-opted them onto the council at the November meeting, so details to follow on my next report.

Village Hall Committee

Since the last Review, which featured trustee changes resulting from our Annual General Meeting in May, we have held meetings in June, July and October. At these meetings, the fresh ideas coming from the new members (following training by Cambridgeshire ACRE) encouraged a general review of possible improvements to the hall and to the way we communicate and market its benefits. We are also looking at modern online systems to help run the organisation in more transparent and smooth ways.

If you find the idea of helping us to modernise our Hall appealing, we have vacancies for up to three more trustees so if you have practical, technical, administration and social skills we would love to have you onboard! We are a friendly group of volunteers and would welcome your new ideas. Just email me at: terry.chapmanccpc@gmail.com

The forthcoming retirement of the Secretary, who looks after a few contacts and contracts as well as recording Minutes, drafting Agendas and general administration is another function that needs modernising !

The action to replace our lease holding trustees: Susie Culpin, Sue Herbert and Paul Sherville with the Charity Commissioners, has ground to a (hopefully temporary) halt, due to a very slow response from the Land Registry.

The “**Friends of Castle Camps Village Hall**” group continues to be active in arranging events and fundraising. It helped with the Jumble Sale in June, raising over £400, and organised the Autumn Show, which raised over £440! Thank you Friends!

As mentioned in the last Review, this new group is for residents who don't want to be formal trustees of the charity but want to help practically with running, fund raising and improving the Hall. It's a very sociable group, so If you like the idea and want to help, please contact its leader Chris Swan on info@castlecamps.org.uk

For more information about our charity, just enter our registration number 300375 into the Charity Commission website and review all the available data. Other details can be found in the Hall tab on the Castle Camps.org.uk website.

Castle Camps Village Pond Clearing

Several villagers gathered on Saturday 21st September to help former residents Pam and Guy Schooling to tidy the pond on Bartlow Road. The area had become congested with weeds and overgrown trees. Often up to their waists in silt and water, people pulled, chopped and heaved tons of material out of the pond and away from the surrounding area, grateful for the mechanical help offered by Peter Norden.

Pond Farm served refreshments and everyone went home exhausted and muddy, but happy that they had made a difference to this village feature.

Camps Autumn Show

Saturday 7th September saw the Camps Autumn Show at the Village Hall. Entries to the well-thought out exhibition categories were accepted in the morning for anonymous judging later. After a fun dog show in the afternoon, the judges decisions were announced to a packed hall where excellent refreshments were also served. Congratulations to the many winners and runners-up and commiserations to all who entered but were not successful this time. The show was an extremely well-organised event and a big thank you goes to the many villagers who gave their time to help before, during and afterwards.

Events Committee News

We've been quiet over the past few months, enjoying the summer with our families. As we move into this next quarter we will have held the Halloween Trail which is always a delight to see all the children dressed up in their spooky attire, the occasional adult and usually a dog or two with creepy wings or spider legs! All enjoy walking around the village looking at the ghoulishly decorated houses that people have made such an effort to set up and display. The trail ends on The Green where the Witches hand out the much deserved treat bags, perhaps you spotted them? For future trails, although this is aimed at children, anyone can join in, so if you fancy a stroll around the village next year and enjoy the excitement of Hallows Eve then please sign up

Following the success earlier in the year of Afternoon Tea, we are putting on a Christmas themed Tea on Sun 1st Dec, so look out for the invites. Cake bakers get ready 😊 If you have elder family relatives or neighbours (Camps and surrounding villages/hamlets) that would enjoy this, but aren't mobile enough to get to Camps Village Hall, then please get in touch and we'll see if we can arrange a lift or we can take a plate of sandwiches and cake to them. (No one likes to state ages so diplomatically we're aiming at those over retirement age) If you didn't receive an invite last time but would like to come along please contact us.

As we move into the festive season we will be helping the Herbert Family with Carols on the Green which is always a great community gathering on Christmas Eve. Again following the success of last year we are holding a New Years Eve party in the Village Hall, running our own licenced bar with fantastic local disco Vital Soundz and this year we'll have cocktails too, so if you want to celebrate the coming of 2025 without travelling too far then Camps is the place to be.

We look forward to seeing everyone enjoying themselves at whatever event you attend

If you would like to join the Events Committee or just offer your help at functions then we'd love to hear from you. If you have an idea of an event you'd like to attend and think others would enjoy then get in touch, we're always open to suggestions and willing to give new ideas a go

Many thanks for your support, The Events Committee

CATS, CATS + and TOPCATS

CATS + has recently performed Pirates of the Curry Bean at Castle Camps Village Hall. It was a pantomime type comedy aimed at adults. By the laughter and complimentary comments from the audience I think we can assume this was a success.

CATS + was formed by the older members of the original TOPCATS children's group. The children's group has been running for 13 years and is a junior part of the adult Camps Amateur Theatrical Society (CATS).

We wanted to try longer and maybe more serious plays, so we set up CATS +. We are a fun but hardworking group. We began with a highly successful rendition of Blood Brothers followed by The Crimson House Murders, which was a murder mystery performed last year, one audience member said it was the best show they had seen.

CATS + are currently working through ideas for our next production which is likely to take place in March 2025.

The children's group TOPCATS are now working on a small Christmas show to be performed on 9th December.

All three groups welcome new members. **Please contact Dawn on 07505 223076.**

Castle Camps C of E (V.C.) Primary School

Life in all its fullness

It was wonderful to see everyone back in school at the beginning of September. There has been a lovely atmosphere and much excitement for the new academic year. The Nursery and Reception children have settled in particularly well and made a very positive start. Our older pupils have been looking forward to the arrival of the new children and can't wait for their first paired reading time, which takes place tomorrow afternoon. Year 6 always provide outstanding support to the younger children, or "*The Little Ones*" as they like to call them, and are such amazing role models. Over the course of the year, they form very close bonds with their buddies and it is a pleasure to watch these friendships grow and blossom.

The Summer Term 2024

Activities and Events

It was a very busy Summer Term at Castle Camps, which included trips to Southend Sea Life Centre and Shepreth Wildlife Park. We also enjoyed an incredible visit from the English Touring Opera, a Seaside Day in school and our Y6 Leavers' Party – to name but a few events. There were also a number of successful sporting tournaments, too, plus football league matches organised by Matt Crawley (Prestige Sports). After so much activity, everyone was ready for a well-earned rest over the summer holiday.

Year 6 Leavers' Service

On Friday, 19th July, we said goodbye to our Year 6 pupils. During the service, which was led by Revd Ian Fisher at All Saints Church, the children shared their memories and celebrated their time at Castle Camps. There were many special moments, such as hearing Adam playing the trombone, the children in Year 5 reading a personal message to Year 6, and the presentation of Year 6 artwork. Year 6 were an incredible year group and we are so proud of the young people they have become. We look forward to hearing of their continued progress at their new secondary schools (LVC, St Bede's and Samuel Ward).

Mrs Louise Smith

At the end of the Summer Term, we also said goodbye to our EYFS Teaching Assistant, Mrs Louise Smith, who has moved on to a new role at a local school. Mrs Smith has been a much-loved member of our community since 2014 and we are very sorry to see her go. We are deeply grateful for the outstanding service she has given to our school community and wish her every success in the future.

Pupil Attainment 2023-4

2023-24 was another successful year in terms of the school's national test results. I am delighted to report that 70% of our Reception children achieved a Good Level of Development in their end of year assessments; which continues our outstanding record of achievement in the Foundation Stage. 89% of children achieved the pass mark in the Year 1 Phonics Screening and in Year 2 SATs, 94% of pupils reached the expected standard+ in Reading, 75% in Writing and 88% in Mathematics. Our results in Year 6 were also excellent. 85% of the children reached the expected standard+ in Reading and 80% in Maths and Writing

The Term Ahead

Harvest Festival – Friday, 4th October

This year, we will be celebrating our Harvest on Friday, 4th October with a special service in the Hall at 10am. Harvest is a good opportunity to think of the needs of others, so on that day and during the week, we will be collecting food donations for the Haverhill Food Bank, which supports local families in need.

Reception Open Morning

We shall be holding an Open Morning for prospective parents (Reception places 2025) on Wednesday, 6th November starting at 9:30am. Bookings can be made via the School Office.

Courageous Advocacy Award

Each term, we select a pupil who has been an outstanding advocate for change. This term, I am delighted to announce that James, in Badger Class, has been selected to receive this award. Inspired by the charity work of rugby legend, Rob Burrow, James decided that he wanted to raise awareness of Motor Neurone Disease, too. In June, James completed the 3 Peaks Challenge, raising £1,265 for the MND Association, a charity focused on improving access to care, research, and campaigning for people affected by Motor Neurone Disease. We are very proud of James for this courageous achievement and for speaking out on behalf of those most in need.

Linton Village College

Our Open Evening at the end of September was a huge success, despite the torrential rain. It was a great opportunity to showcase the school to prospective Year 6 families. I was impressed by how many LVC students volunteered to be helpers and tour guides on the evening and by the passion and personal insights shared by our student leaders during the presentations.

Our Head Student, Kuba, also demonstrated great independence and initiative through his successful application to the Henry Morris Memorial Trust Fund. Kuba was fortunate to receive funding to embark on a trip to the Isle of Man. Having always been interested in the Celtic history of the Isle, Kuba used the trip as an opportunity to find out more about the island's politics, history and geography. As part of this project, Kuba met with His Excellency the Lieutenant Governor Sir John Lorimer at Government House and discussed with him various topics, including the role of the Lieutenant Governor, Crown Dependencies and Manx Culture. Kuba also met virtually with the Chief Minister and spoke with him about education on the island. Kuba, who has future aspirations in International Diplomacy, was awarded the "Lieutenant's Governor's Award for Outstanding Effort and Dedication to Duty" for his project and interview.

Other successes include our MFL trips to Spain and France this month. These trips are a great opportunity for our GCSE language students to experience both speaking and the culture of the language they have chosen to study. The students in Spain were also lucky enough to experience some glorious Autumn sunshine.

The Connection

News from our Anglican Churches

Dear Friends

In recent years the period between 1st November and Advent has gained a character of its own. In the Book of Common Prayer these were just Sundays after Trinity. In the ASB they were Sundays before Christmas focused on major Old Testament events. This was seen as pushing back the beginning of the Churches year and also pushing the focus onto Christmas too early (very much like the shops).

The Sundays between All Saints and Advent are now Sundays before Advent and take their overall theme from the major days- All Saints, All Souls, Remembrance and the reintroduced feast of Christ the King. All together these days speak of the future fulfilment of God's Kingdom which is why some call it the Kingdom Season.

All Saints is a day when we remember the lives of all the saints through history. We remember them not just as examples of godly and virtuous living, but also by living faithful lives, accepting suffering and even death, as having already obtained the glorious life of the Kingdom of God. They have already received the benefits of Jesus' death and resurrection.

They are, so to speak, God's down payment for a future glorious life for all faithful people.

At All Souls we think not of those who have led spectacular public lives, but of the ordinary people we have loved and who have touched our lives and are now dead. Although there is sadness in remembering our loved ones who have died, we can also gain strength from knowing that God's love reaches beyond the limits of this life and that all who have died have the offer of the same eternal life which the saints already possess.

Remembrance Sunday brings us face to face with the horrors of war: the two world wars and the many smaller conflicts since. We see the worst of human nature, but also great examples of human courage, love and self-sacrifice.: examples of good and not evil; good which God can take and develop. Even in the world's darkest hour we are never beyond God's grasp.

The Sunday before Advent is now kept as the feast of Christ the King. Jesus as one of us now reigns in heaven and we, his siblings through baptism, can look forward to our place alongside him. This brings the Christian year to an end with a rousing note.

We then reach Advent, a season which prepares us not just for Christmas but also for the fulfilment of the Kingdom of God. This Kingdom of God, where all the saints and souls will live in love and peace free from the evils and conflicts of this world, comes to us only through this world. Here on earth among its toils and troubles our souls are schooled for the glories of the Kingdom of God. It is here that we learn to love, where we become worthy of being co-inheritors with Jesus of the Kingdom of God

All Saints Church Yard Maintenance

We have had a very productive summer of church yard maintenance, thank you to all who have helped. We still have more work to be done which will be started in March again next year, the second Saturday of the month until September (not one on 12th of July).

We now have the start of a meditation walk in the wild flower meadow which we hope you will all enjoy.

Special thanks to David Jobson and his son who keep the pathways and the carpark in a great condition, thank you again David we all greatly appreciate your efforts.

December Church events for your diary

Sunday the 1st of December Carols and Readings Service at All Saints 4pm. Always a lovely service do come along if you can.

29th December 2024 1pm to 3pm, another guided walk with Russell Kent from Lily Cottage in the High Street with mulled wine and nibbles afterwards. Please let Lindi Kent (07801 790213/ lindi.allen.kent@gmail.com) know if you are coming, in order to mull enough wine!

Letters from Santa

In December, Arthur Bear, from Arthur Rank Hospice Charity, is teaming up with the North Pole, to bring the magic of Christmas to Cambridgeshire. For a small donation, Santa will send a personalised letter, directly to the special little people in your life.

Not only will your little ones experience the magic of Christmas, but your generous contribution will directly support patients and their loved ones. Visit arhc.org.uk/santa to order your letter from Santa and remember to register before 8 December 2024 to make sure your letter arrives on time.

Want your Christmas Tree collected in January?

Arthur Rank Hospice Charity's Christmas Tree Recycling Scheme is back and bigger than ever with new postcodes added for 2025!

In partnership with Just Helping, their teams of volunteers will be collecting used Christmas trees from CB1-CB5, CB21-CB24, CB25, SG8 and SG19 from 9-11 January 2025. To register your tree (and avoid needles in your car) visit arhc.org.uk/tree-recycling Registrations will open in mid-November and will close 5 January 2025.

Are you able to support the scheme this year?

If you have a van or are willing to hire a van and you can spare a few hours to drive and collect trees, the Charity would love to hear from you! Please email christmastrees@arhc.org.uk or call **01223 675888**.

Have you got your Winter Charity Raffle tickets?

Buying a raffle ticket or signing up to Your Hospice Lottery is your chance to win exciting prizes whilst supporting people in Cambridgeshire living, with an advanced serious illness or other life-limiting condition and those who need end of life care. Winter Raffle tickets need to be with Arthur Rank Hospice Charity by Thursday 23 January 2025 for the draw on 30 January 2025.

You can find out more at arhc.org.uk/raffles or arhc.org.uk/your-hospice-lottery.

Mission Mud 2025: The Ultimate Family Challenge

Looking for a unique gift? How about the gift of an unforgettable experience while supporting people at Arthur Rank Hospice Charity? The next Mission Mud event is set for Saturday 10 May 2025 and promises to be their biggest muddy challenge yet!

With 30 obstacles, participants (aged from 7 years) will tackle everything from big walls and slides to monkey bars, rope climbs, a water pit, and even a ninja warrior-style ramp. It's an adrenaline-packed day for thrill-seekers of all abilities, all while supporting future patients with end-of-life care in Cambridgeshire.

To sign up or learn more, visit www.theplaygrounduk.com/cambs or email cf@arhc.org.uk or telephone **01223 675888**.

Save the date for Bridge the Gap 2025

In September 1,971 people joined Arthur Rank Hospice Charity and Romsey Mill for Bridge the Gap. A wonderful (usually private) tour of many Cambridge colleges and gardens. If you would like to join them in 2025 save the date - Sunday 14 September 2025 and keep your eye on the website arhc.org.uk/btg

Castle Camps Bowls Club

2024 was a particularly good season, apart from the weather of course. We were winners of Cambridge & District Bowls League Division 3 at long last having been knocking on the door for a few seasons.

In the Steeple Bumpstead leagues (SBL) we had 3 teams competing, with our A team once again winning promotion to the top division for next season. In the last 4 years we have been a yoyo team with a sequence of promotion, promotion, relegation, promotion. So many new bowlers are improving their game as the seasons go by, we are confident that we can maintain teams in the higher divisions next year.

Within our midst we can also boast the winner of the SBL Over 60's Men's Singles Champion, Ron Goodwin.

It's not all serious stuff though with lots of fun Club Days and social gatherings, including our annual Invitation Cup. Due to horrendous weather the decision was taken to cancel the Saturday in August and run it on the Sunday. This was a blind decision, at the time not knowing how many of the 64 visiting bowlers would be available to play with only 36 hours' notice. 48 turned up to bowl, a hastily amended (self) catering team put together and the sun shone brightly for once. Not only that our club team won the competition (under strict instructions not to because it's not good etiquette).

We will finish with our Presentation Dinner Dance on November 23 in the Village Hall and look forward to next season.

Old Man's Marbles ?

A chance remark about the Castle Camps Bowling Green resulted in an invitation to 'An introduction to bowling' on a Wednesday evening in July. Having arrived as arranged, I was made very welcome; the game is simple but challenging and I was hooked after the first session!

Playing bowls combines accuracy, strategy, expertise, and a lot of fun while meeting new people (who wear polo shirts with their names embroidered on, so you don't have to remember them all at first introduction!) The club members also have endless patience, a great spirit of generosity and good humour when coaching new 'bowlers.'

Lawn bowls is a sport anyone can play, regardless of age or ability, it is easy to learn and can be as relaxed or as competitive as you want to make it. You can have the young or the 'young at heart' on your team: bowling is a game for all the family.

In August at a gala day an amazing group of bowlers and villagers fed and watered visiting clubs, providing breakfast bacon rolls, lunch, afternoon tea and a licenced bar for the 60 visitors.

'Closing the Green' in September saw me 'playing' my first 'friendly' game supported by two long suffering experienced players (you know who you are!) which has made me determined to master this game.... I have been leant a book on the sport as 'winter homework' too... it tells me '*The sedate sport of rolling biased balls on a flat lawn can be traced to the 13th century*' - the Castle Camps Club has been going since 1937.

Why not see for yourself what Castle Camps Bowls Club has to offer? you may be pleasantly surprised ...

Pappardelle with Arrabiata Sauce

All the highlighted words in this recipe for Pappardelle with Arrabiata sauce can be found in our wordsearch grid. The remaining unused letters in the finished grid will spell the name of a famous Italian film director (8, 7).

METHOD

Cook the pappardelle **PASTA** ribbons in a large pan of boiling salted water for 10-12 minutes or **ACCORDING** to the packet **INSTRUCTIONS**. **DRAIN** and leave to one **SIDE**. Heat the olive oil in a large pan, add the **CHOPPED** onion, pepper and **GARLIC** and fry for 3-4 minutes until **SOFTENED**. Add the chilli pepper and cook for a further **MINUTE**. Add the canned tomatoes, tomato **PUREE** and **GRANULATED SUGAR**. Bring to the boil and simmer gently for 5 minutes until **REDUCED** and slightly **THICKENED**. Season to taste with **SALT** and freshly **GROUND** black pepper. Add the drained **PAPPARDELLE** to the arrabiata **SAUCE**. **TOSS** well to combine and **DIVIDE** between two **WARM** plates. **SPRINKLE** over with parsley and serve with grated **PARMESAN** cheese. Serves 2.

INGREDIENTS

- 225g pappardelle pasta
- 2 tbsp olive oil
- 1 red onion, peeled and sliced
- 1 red pepper, seeded and sliced
- 2 garlic cloves, peeled and chopped
- 1 large red chilli, seeded and chopped
- 400g can chopped tomatoes
- 2 tbsp tomato puree
- 1 tsp granulated sugar
- 1 tbsp freshly chopped flat-leaved parsley
- Freshly grated Parmesan cheese, to serve

Granta Medical Practice Update

During winter, services such as GP surgeries and hospitals experience increased patient demand, mainly due to cold weather and peaks of common infections and ailments.

Between us all, we can help alleviate some of the demand by using alternative health services for those more minor conditions.

A number of pharmacies offer an extended service called **Community Pharmacy Consultation Service (CPCS)**, where they can review and treat a number of minor illnesses and ailments. You can contact your local pharmacy directly or our reception teams can arrange a referral for you. If you are calling us with a minor illness or ailment, our reception teams may also signpost you to CPCS in the first instance.

There are many conditions covered by CPCS, including (but not limited to) generalised pain and swelling, sore throats, bites and stings, headaches, constipation and diarrhoea, colds and flu, mouth ulcers, tiredness, and vomiting.

Additionally, Pharmacists are able to offer treatment and prescribe medication for some conditions without you needing to see your GP. This is called **Pharmacy First**. Conditions that can be treated and prescribed for include:

- Earache (aged 1 to 17 years)
- Impetigo (aged 1 year and over)
- Infected insect bites (aged 1 year and over)
- Shingles (aged 18 and over)
- Sinusitis (aged 12 years and over)
- Sore throat (aged 5 years and over)
- Urinary tract infections or UTI's (women aged 16 to 64 years)

If you contact us with an eye problem, our reception teams may signpost you to the **Minor Eye Conditions Service (MECS)**. MECS is made up of a team of eye specialists who treat non-emergency eye conditions that do not need hospital attention. Conditions covered include acute red eyes, acute irritated or inflamed eyes, sticky discharge or acute watery eyes, in-growing eyelashes, foreign bodies in the eye and recently occurring flashes or floaters.

If you require any further information about any of the above services please do not hesitate to speak to your local pharmacy, our reception teams or email us on cpicb.grantapatientsservices@nhs.net We wish you all a healthy and safe November.

Castle Camps Craft Club

THE POPPY RIVER

At the last Remembrance Day in 2023 the 2523 Air Training Corps Squadron, based at Linton, undertook their last duty of before being disbanded.

Their presence at Castle Camps made it a very moving and memorable event every year.

I felt the village needed something to make the War Memorial area special on Remembrance Sunday and came up with the idea of a 'poppy river'. I put the idea to the Craft Club, asking if anyone was willing to help. Having found a knitting and crocheting pattern on line, club members got to work, some even gaining a new skill of crocheting for the first time. With others from the community helping we now have 345 poppies, even some remembering the animals in the colour mauve.

When you see the 'river' please take a moment to think of the sacrifices made so we can live our lives happy and free.

Thank you to everyone at Craft Club who helped in this project.

County & District Councillors Report

Bus Franchising Consultation

The Cambridgeshire and Peterborough Combined Authority (CPCA) launched a consultation on the concept of bus franchising in the county and how the authority can help reform bus travel. It's a very big step forward, as the idea of introducing a road charge in Cambridge to pay for more busses in Cambridgeshire has been binned, this is a more realistic alternative to improving public transport, but will involve more public funding to get it off the ground and possibly an increase in the Mayor's precept to help fund it, so please do contribute to the consultation if possible. - <https://cpca-yourvoice.co.uk/bus-franchising-consultation/>

Police Community Engagement Panel

Cambridgeshire Police hold quarterly public forums where they give updates on the service in South Cambs as well as take questions from the public. The next one is to be held online on November 27th at 7pm. To register for the event, follow this link - <https://www.eventbrite.co.uk/e/south-cambridgeshire-community-engagement-meeting-november-2024-tickets-772923213137?aff=oddttdcreator>

Cost of Living Support

The District Council has a raft of Cost-of-Living support packages available for those that need them. These range from free electric blankets to mobile food hubs to advice on what support can be claimed. Around 25% of benefits go unclaimed, so please do check, or ask those in need to check, if they are owed anything that they haven't been claiming. - <https://www.scambs.gov.uk/cost-of-living-support>

Cambridge 2050

For those keeping an eye on the news, you may recall that the former housing minister, Michael Gove, had announced that they saw Cambridge as an area of the country for growth and estimated that they'd like to build an additional 250,000 houses in the area, to encourage players in the science and tech industry to relocate here. Since the new government has come in our local authorities and MPs have been asking if they have similar ambitions for the area. We recently had a visit from the new minister, Matthew Pennycook, who said that the new government still saw Cambridge as an area for growth but have so far refused to put a number on this. We imagine it will likely be closer to the 100,000-150,000 mark, which is actually almost in line with the current plan for the area – so we're hoping we won't see large swathes of our countryside unexpectedly developed!

Household Support Fund

We were under the impression a few months ago that the much-used household support fund, which is central government money distributed by the County Council, was due to cease. We were pleased to hear recently that it is now set to continue. This year Cambridgeshire was awarded £3.5 million to help with cost of living support.

There is free advice on the cost of living support available from the County Council for anyone who may be in need of it - <https://www.cambridgeshire.gov.uk/council/communities/support-with-the-cost-of-living>

County & District Councillors Report

Local Highways Improvement Fund

Each year the County Council runs a scheme called Local Highways Improvement (LHI) where parish councils can bid into the Council for part-funding for a small highways project that wouldn't ordinarily be built out by the County Council. The applications for the scheme will be reopening before Christmas, so if you think of any smaller projects in your local area that might warrant a bid, do speak to your parish council about it. - <https://www.cambridgeshire.gov.uk/residents/travel-roads-and-parking/roads-and-pathways/improving-the-local-highway/local-highway-improvement-funding>

Small Business Support Grant

The District Council have announced a new grant which is available to support small businesses in South Cambs. Small businesses can apply for up to £5,000 from a £100,000 pot and is a part of the wider Rural Prosperity Scheme, mentioned below, from the Combined Authority.

SCDC still offers free advice to small businesses and startups. Full detail can be found here - <https://www.scambs.gov.uk/business/uk-shared-prosperity-fund/small-business-grant/>

Community Energy Consultation

The County Council are consulting on how they can support communities with local clean energy projects. If you'd like to participate in this, more info is here - <https://consultcambs.uk.engagementhq.com/community-energy-project>

Physical Activity Grant

The District Council has launched a new grant for members of the voluntary sector, specialist group or leisure centre. It is to help with classes aimed at people with long-term health conditions. There is up to £2,000 per applicant available and full details, plus an application form, is available on the website - <https://www.scambs.gov.uk/community-safety-and-health/grants/physical-activity-grant-for-long-term-health-condition-management>

Active Travel Hierarchy Consultation

Another consultation to tell you about... the County Council are asking for people's views on which roads should be prioritised for active travel (not in a motor vehicle). There is an interactive map which can be seen via the link - <https://consultcambs.uk.engagementhq.com/active-travel-hierarchy> - it mainly affects Cambridge city and some of the bordering villages, but do take a look if interested.

The Hundred Parishes Society

www.hundredparishes.org.uk

One of the best ways to enjoy and appreciate our wonderful area is on foot, so the Hundred Parishes Society's website has always included a selection of walks. They have generally been focused on footpaths but last winter's exceptional rain made many paths difficult. This prompted us to develop a new series of walking routes that do not use any footpaths. We hope our "Quiet Lane Walks" will appeal to anyone who does not like cleaning boots and also perhaps to families, people with mobility problems or less-energetic cyclists.

Duddenhoe End

Great Easton

Our website now has almost 40 Quiet Lane Walks in addition to over 100 established routes. You can find a route that suits you by either scanning the lists of walks or by going to a specific parish introduction to see which route numbers go there – the Quiet Lane walks start with the number 3. We have put together quiet lane routes that visit 41 of our hundred parishes but we would welcome suggestions for more - just email a simple route outline to hundredparishes@btinternet.com and we will put together a full route description.

Great Waltham

Hatfield Broad Oak

The Hundred Parishes Society (cont.)

The new routes range in distance from 1 mile to 12 miles and pass through typical Hundred Parishes territory: lovely villages and attractive countryside, often with an inviting café or pub.

Helions Bumpstead

Langleigh

Route descriptions can be freely downloaded from our website and then printed. The descriptions should ensure that nobody gets lost and they include snippets of information about places along the way.

Little Hadham

Strethall

If you do not have access to the internet but would like some walk suggestions, please write to The Hundred Parishes Society, 2 Greenfields, Stansted Mountfitchet CM24 8AH. We will send you a list of available routes and then print some for you. There is no charge.

Gardening Club

West Wickham & District Gardening Club Celebrating the seasons

As Summer turned to Autumn the WW&DGC met for their AGM.

Many members were kind enough to come and contribute to the meeting with the election of new officers and to say 'thank you' to the outgoing treasurer, Andrew Morris, who formally stepped down from the committee he was instrumental in founding over 40 years ago.

In the drinks party that followed, Andrew was awarded the RHS Recognition Award for his unfailing dedication to the Club over these four decades. A well-deserved retirement beckons although we are happy to say that Andrew will continue to support the Club in a less formal capacity as we move forward.

With a packed programme for the end of the year, the new committee won't be resting on their laurels. Here is a run-down of the remaining events for 2024 which we hope members and non-members who'd just like to find out more about us can come along too.

Monday 18th November: *Jim Paine Botanical gardens: A grand tour*

Jim is a well-known speaker with a background in international conservation as well as rich experience as a former garden nursery owner. Jim will whisk us off on a tour of wonderful botanical gardens close to home and far away.

7.30 pm at the Village Hall, West Wickham

Saturday 7th December: *West Wickham Christmas Fayre*

The Club will have a presence at the Village Fayre with ideas for sustainable decorations and Christmas Cards for sale produced by village photographers.

2:00–4:00 pm at the Village Hall, West Wickham

Monday 16th December: *Christmas social evening*

This year we will be taxing our brains with a light-hearted gardening quiz as well as the traditional wine and nibbles for our end-of-year celebration.

7.30 pm at the Village Hall, West Wickham

Membership for 2024-2025 begins at the beginning of October and is open to everyone in West Wickham and the surrounding area. If you fancy joining us to learn about gardening, share your successes, make some new friends or simply enjoy discounts with local suppliers and free entry to RHS gardens, we'd love to hear from you. Annual membership is £8 per person. Please contact Sue Boase on 07716 401646 wwdgc@westwickham.org

1st Horseheath Brownies

We started back in mid-September with our merry band of 8 Brownies for the next year of adventure and fun.

Plans already in the mix are a visit to a trampoline park in Norwich; a pyjama party sleepover with Rainbows and Guides to celebrate World Thinking in February; hopefully a trip to the Panto in December plus we have Christmas, Halloween and Harvest to look forward to as well.

We are finalising our plans for our “want to know about Brownies” evening where anyone who is interested in finding out more about Brownies or wishes to volunteer with Girl Guiding can speak to us or direct with a Brownie.

Also this term we will be working on our First Aid skills building, Katie and I think you're never too young to learning the basics of first aid.

If you have been intrigued by what you have read about the Brownies and you have a 7-year old girl, or older, living in your home and think she might like to join us the please email me on horseheathbrownies@gmail.com or register her on www.girlguiding.org.uk/information-for-parents/register-your-daughter/ and I'll get in touch. Also, if you have a daughter who is 5 years old, she could be a Rainbow or if she is over 10 years old then she could be a Guide, we have units in Linton and Brinkley that have spaces that they could join. Email me for more details.
